FIFTEEN CENTS

ONE OF THE WORLD'S best-known clowns, Ronald McDonald, visited Antioch last Saturday and hundreds of youngsters flocked to the parking lot of the new

McDonald's restaurant to watch him perform. On stage with Ronald in this picture is Cathie Ann Haley. (Another picture inside.)

County Fair opens today

The 49th annual Lake County Fair opens Wednesday and continues through Sunday at the fairgrounds, Rtes. 120 and 45, east of Grayslake.

Commercial exhibits will open daily at 11 a.m. The midway opens at 12 noon or 12:30 p.m.

Admission is \$2 for adults. Children 12 and under will be admitted free. A five-day "season ticket" can be purchased for \$6. Parking and grandstand admission are free.

On Wednesday only, senior citizens (65 and over) will pay \$1 for admission.

On Wednesday and Thursday, from 1 to 5 p.m. only, all rides are 25 cents.

AS IN PAST YEARS, more than 100,000 persons are expected to attend the five-day fair.

An opening night highlight (tonight) at 8:30 will be the crowning of Miss Lake County Fair. There are seven finalists.

Robin Hunley of Antioch last week was named Miss Congeniality in the contest. She is a former Antioch High School homecoming queen and now a student at Drake University in Des Moines, Ia.

Boy, 8, killed by truck

An 8-year-old Antioch township youth was dead on arrival at Orchard Medical Center Monday after he was hit by a pickup truck on Hy. 83, just south of the village.

Samuel M. Burns, of Hy. 83, Box 86C, reportedly was playing with another youth when he fell onto the roadway in the path of the small truck.

The Lake County sheriff's department said apparently Samuel was running across a lawn, perhaps tried to jump over a drainage ditch, and lost his balance.

The driver of the pickup truck, William R. Lasco, 28, was not at fault, the sheriff's deputies said.

The Antioch Rescue Squad hurried to the scene at 4 p.m. and tried to save the boy, but he was pronounced dead at the medical center.

Barr Funeral Home was handling funeral arrangements.

THE YOUTH WAS KNOWN as S. Michael Burns. He was the son of Samuel and Carol Burns and had five brothers and sisters: Catherine, Pamela, James, Charles, Patrick and Georgia.

His grandmother was Marie Berger.

Visitation at the funeral home begins Thursday after 3 p.m. until chapel service Friday at 2 p.m.

Interment will be in Woodland cemetery in McHenry.

The youth was to attend the fourth grade at Emmons school this fall.

He was born Nov. 28, 1968 in McHenry.

ALSO MONDAY AFTERNOON, the rescue squad rushed south of the village to assist a Soo Line trainman who had been hit in the head by a stone, apparently thrown by children playing in an area south of Grass Lake Rd.

The man was taken to the medical center where stitches were needed to close his wound.

Rezoning issues on village agenda

Two public hearings are scheduled Thursday night at the Antioch village hall.

The first, at 7:30 o'clock, is a petition for rezoning by Donald E. Gustafson of 906 Hillside Ave.

Gustafson is asking the village zoning board for special zoning which would permit him to sell cars on the

Finalists return Sunday in youth tennis meet

Championship matches will be played Sunday afternoon in the first annual State Bank of Antioch Youth Singles Tennis Tournament.

The championship matches for first and second place trophies, and most of the duels for third and fourth place trophies, were rained out last Sunday after the tournament's more than 100 players had battled all day Friday and Saturday to determine the survivors.

Pres Reckers, vice-president of the State Bank and director of the tournament, said the finals will be played this coming Sunday with all matches at "Doc" Jensen Park.

The schedule remains the same as it would have been last Sunday.

GIRLS AND BOYS 8 through 10 years of age will start at 12 noon, girls and boys 11 through 13 years of age will take over the courts at 1 p.m., girls and boys 14 and 15 at 2 p.m., and girls and boys 16 and 17 at 3:30 p.m.

In the third and fourth place match in the "Boys 11 to 13" class, Robert Thain and Mark Mohr were tied 4-4 when they were rained out. They will complete their match at 9 a.m. Sunday. Other contests for third and fourth place also will be played Sunday morning, according to the schedule at the end of this story and in the advertisement in the sports section of today's Antioch News.

Bleachers are set up to accommodate spectators. A total of 32 trophies will be awarded for first, second, third

Guarding against encephalitis

The first documented case of St. Louis encephalitis in 1977 was reported from Dallas, Tex., when an individual became ill on June 10.

This is the earliest laboratory documented case of human infection with the virus reported in Dallas, and may be the earliest reported case in the United States.

The mode of transmission of the St. Louis encephalitis virus is from birds to mosquitoes to people. The encephalitis virus is not transmitted from person to person. Illinois surveillance teams have found evidence of virus transmission among birds in some downstate areas, but there is no evidence to date of encephalitis virus transmission in northern Illinois.

THE LAKE COUNTY health department has cautioned that rainfall and extremely hot weather have brought on a large number of culex mosquitoes which transmit encephalitis from birds to man. Culex mosquitoes breed in standing water in places such as improperly draining gutters, flower urns, children's wading pools, water cans, buckets and old tires.

The health department is advising everyone to empty all standing water around houses at least on a weekly basis.

It is important to make sure that screening on doors and windows fits properly and is without holes, since mosquitoes seek inside shelter from the heat.

If mosquitoes are found inside, an aerosol, properly labelled for flying insect use, should be used. Repellents are advisable when outdoor activities are planned.

FURTHER INFORMATION on mosquito control is available from the environmental health division of the Lake County health department at 689-6740.

The Town Crier

The answer to controversy is compromise and some politicians are masters at that.

Bill Branen, publisher of the Burlington, Wis., Standard Press, told us a story last weekend about a congressman who is especially adept in the use of language and logic.

It seems this congressman received a letter from a constituent inquiring about the congressman's position on the use of whiskey. The politician's reply was as follows:

"MY DEAR FRIEND, I had not intended to discuss this controversial subject at this particular time. However, I want you to know that I do not shun controversy. On the contrary, I will take a stand on any issue at any time regardless of how fraught with controversy it may be. You've

asked me how I feel about whiskey. Here's how I stand on this question:

"If, when you say whiskey, you mean the devil's brew, the poison scourge, the bloody monster that defiles innocents, dethrones reason, destroys the home, creates misery and poverty, yea, literally takes the bread from the mouths of little children; if you mean the evil drink that topples the Christian man and woman from the pinnacles of righteous, gracious living into the bottomless pit of degradation and despair, shame, helplessness and hopelessness, then certainly I'm against it with all my power.

"BUT, IF when you say whiskey, you mean the oil of conversation, the philosophic

We received a letter this week from El Salvador, in Central America, from Sharron Morgan of Antioch, of course.

It took only seven days to get here. Since the Antioch News travels via second-class mail, it takes Sharron a lot longer to get her copies of the newspaper.

But Dennis Johnson of Ashland Jewelers, Sharron's former employer, knew she'd enjoy it, so he arranged to have the Antioch News sent to her even though the postage is about \$27 a year.

Sharron graduated from Western Illinois University and is now working in the Peace Corps, helping the people of El Salvador with their agriculture, etc. May we share her letter with you?

DEAR ANNIE MAE and all the staff:

It's so nice to be receiving the Antioch News once again, finally! All the while I was away at school, my folks had the paper sent to me. It was always good to read the news from home and now that I am even farther away, in an even stranger environment, I enjoy having contact with home, like letters from my family and friends (like those at Ashland Jewelers) and the paper, that much more.

In March my folks wrote and told me that they were having the Antioch News sent and that I should be getting it soon. Each time I go into the city I check my mailbox, of course, and finally in June the paper started arriving - all five issues of March at one time. So I read them, and noticed the excellent coverage of the candidates for mayor, clerk and trustees, and thought to myself, "Here it is the middle of June, elections were held in April, and I'm still wondering what the outcome was."

On my next trip to the city, however, two issues of April and two of May had arrived. So at the beginning of July, almost three months later, I knew the results.

The "News" is well put together and I enjoy Annie Mae's column and The Pfarr Corner especially.

Keep up the good work.

Sincerely,
Sharron Morgan

Dear Sir:

We were very disappointed in the judges as they didn't even come near our space to see what we had on display at the Art and Craft Fair.

We had Craft on our registration sheet so should have been judged for the quilts, crocheted and knitted fancy work, or isn't that Craft by the judges' standards?

We think the judges should have visited every space and said they were the judges and asked what was to be judged.

In the space west of ours there was woodcraft and on the east of us, paintings. We didn't see the judges at either of those, or did they just go to their friends' spaces to judge their display?

50 YEARS AGO: JULY 27, 1927

The village of Antioch's paving program has been increased to six streets for 1927. Lake Street is finished and work already has started on Depot Street. The contractors recently completed the paving of Harden and Victoria streets and the village board acted favorably on a petition signed by residents of Park Ave.

Antioch's five-year struggle for an ornamental lighting system, commonly known as "the white way," for Main Street, was revived when the board of local improvements acted upon the advise of Attorney Runyard. The entire cost of installation is to be paid by special assessment against the property benefitted.

George Smith, 26, and Miss Esther Kalke, 21, both of Chicago, are dead and Jack Shilbock, also of Chicago, is probably fatally injured as the result of an auto accident near Loon Lake about 4 a.m. last Sunday. Their Marmon Eight crashed into a tree while going at a high rate of speed. The trio was returning to Chicago.

Mr. and Mrs. Bert Dickey are leaving Friday to attend the Dickey reunion at Greenville, Ohio.

20 YEARS AGO: JULY 27, 1957

Annette Franks and June Beaumont of Antioch are two of the 24 beauty entrants who participated in the preliminary rounds of the bathing beauty contest for "Miss Lake Region."

Dr. G.W. Jensen of 1185 Main St., veterinarian, went to Springfield today to tell the Division of Live Stock Industry that Lake County is "pretty well rid of brucellosis in dairy herds and the battle will continue to clean up and get rid of the disease."

The need of the playground for children on David St. caused the fathers and sons of the community to get together and, with the permission of the owner, clean up several lots and put up a backstop for baseball and provision for other amusements, thereby keeping the children off the streets.

Members of the Krahn family held a reunion at Fox River Park in Kenosha County Sunday. More than 100 relatives were present at a pot-luck dinner.

10 YEARS AGO: JULY 27, 1967

Antioch's oldest manufacturing firm, Pickard, Inc., will open its doors to the public Saturday, Aug. 5, in honor of Antioch's Diamond Jubilee celebration. Factory tours will be given. The history of Pickard, Inc., is almost as old as that of the village itself. Employment currently is 75 people, the all-time high.

A span of more than 36 years and the terms of six different governors mark the record of Dr. William C. Petty, of Antioch, who starts his 10th full term as superintendent of schools in Lake County on Aug. 1. Dr. Petty is the senior county school superintendent in point of service in Illinois.

The musical "Take Me Along" will open at the PM&L Theatre Friday. The leading characters in the cast include Don Beveroth of Paddock Lake and Lloyd Pedersen of Antioch. Chorus members include Ed Abderholden, Gary Strahan, Terry Witkowski and Cheryl Reckers.

Work is expected to start immediately on clearing brush and trees from the rear of stores fronting on the east side of Main St. as the first step in the development of a new off-street parking area. The new parking lot will extend from Ida Ave. on the south to "Town for Men & Boys" at 907 Main St.

CHANNEL LAKE CHATTER

By LOUISE GUTOWSKI

Well, it is good to be writing this column again and thanks to the annual Gossman Garage Sale, it is all possible again, because my son Jim bought me this typewriter there.

Then I made a phone call to our Editor and Chief, Jerry Pfarr, to see if I could resume my column, and here I am.

JOAN BJORK, WHO WILL become Mrs. Michael Robinson on Aug. 6, was the guest of honor at three bridal showers in the last 10 days. On July 14, her cousin Karen Bennett, of Burlington, Wis. gave her the first shower.

On July 17, Joan and her family journeyed to Danville where the family of the groom honored her with the second shower. On July 24 she was honored for the third time at the Gutowski home where Joan received more lovely and useful gifts to help begin housekeeping. Joan is a recent graduate of the College of Lake County and is the daughter of Don and Barb Bjork.

CONGRATULATIONS TO MIKE and Lori Signa of Chicago, on the birth of their daughter, Melissa on July 9th. The future Miss America tipped the scales at 6 lbs. 11 oz., and she is the pride and joy of her grandparents, Jim and Jane Larson of Woodbine Ave. and Mrs. and Mrs. Anthony Signa, who are summer residents on Grapevine Ave.

Belated birthday wishes go out to Julie Gutowski, who celebrated No. 19 on July 12; to Lou Portalski, who celebrated on the 16th; to Judy Gossman, who celebrated on the 17th, and to Susan Lemke, who blew out 11 candles on the 18th.

JEFF AND CATHY GUTOWSKI celebrated their first anniversary on July 17 with a cookout at the home of Cathy's mother, Joyce Anderson, on Lake Marie.

On hand to eat the delicious food and watch the couple cut the top layer of their cake were their wedding attendants and family.

"Get well wishes" and speedy recoveries go out to Mary Bierman, who is recuperating at her home with a broken ankle. To Sherri Irmien who returned home Saturday from

Victory Memorial Hospital after an emergency appendectomy; to Norm Heimbrodt, who returned home Sunday from St. Catherine's Hospital in Monroe, Wis., after having successful artery surgery in his neck. Get well to all.

Ken Koss is still a patient in McHenry Hospital with severe leg injuries suffered more than four weeks ago in an automobile accident in Fox Lake. The word from his lovely wife, Rhonda, is that Ken is doing well and may be home in the coming week. Ken is the son of Fred and Jan Freitag of Woodcrest Subdivision.

IT IS REALLY GOOD to see George Hucker back in action after having knee surgery last month.

The first thing George asked the doctor before the operation was if he would be able to dance after surgery. This delighted his wife, Pat, because the doctor said of course he could.

The only thing wrong with the whole thing is, George couldn't dance before the operation. Save one for me, George!

CONGRATULATIONS TO THE NEW owners of Mr. D's Playmor Resort, formerly Mr. Wonderful's. May you and your family have great success on your lovely lakeshore location.

I would like to take this opportunity to thank my wonderful family and friends for their many calls, cards, gifts, visits and prayers during my month in Victory Memorial Hospital and during my convalescence at home.

Thank you everyone, you have no idea how much it all means to me.

Let me know the news - 395-1317.

THE HAWTHORN QUILT, displayed at Hawthorn Center, includes a square designed by Josephine Allsbrow of Deerfield, of the seal of Illinois, and the signature of the present Governor, James Thompson. This square is one of 30 that make up the quilt. Twenty-six women designed and worked on individual squares which depict the various events that take place during the year at Hawthorn Center in the village of Vernon Hills, east of Libertyville. Shown assembling the quilt are (from left): Ann Connors, Antioch; Martha Fallon, Antioch, and Angela Maras, director of public relations at Hawthorn Center, also an Antioch resident.

All about town ...

By LINDA WALKER

Lake County Fair starts today (Wednesday), and if everything goes as scheduled, it certainly will be the best ever.

Fairgoers will have the chance to see the first antique tractor pull this year. Supt. Howard Bonner said tractors must be 1938 or older to qualify for the contest.

The traditional heavy and garden tractor competition will also be featured this year.

Another first will be cowboy polo which should excite and entertain young and old.

Keno Acres of Salem, Wis. has been the hotbed for cowboy polo the past two years, and it has already challenged and attracted some of the best competitive riders from northern Illinois and southern Wisconsin.

For intensity of action and thrills galore, this game is second to none.

PM&L has gotten a face lift in time for this weekend's performances of "My Fair Lady."

Several members under the leadership of Aileen Biel painted the entrance a nice cool green.

New letters are also being made to replace the present PM&L sign. This all matches the brickwork done earlier this year by Jerry Rockow.

It's gratifying to know this organization is keeping pace with the clean fresh look of Main Street.

ANTIOCH BOWLING LANES, on Rte. 173, is almost doubling its size. Co-owners Joe Sterbenz of Antioch and Marty Padjen of Lake Villa are adding eight bowling lanes to the 20 they already have. The addition to their building will include a banquet room and a tri-level discotheque. There also will be a 2,000 square foot arcade room, or family fun center. Bowling is continuing this summer as the construction proceeds.

The top photo shows the foundation for the addition as seen from across the highway. The photo at lower left was taken from the roof of the present structure. At lower right are Sterbenz and general contractor Gene Anderson of Antioch.

The eight new lanes should be ready by the end of September and the discotheque, banquet room and a new cocktail lounge by New Year's. Some name bands will play on Friday and Saturday nights, Sterbenz said.

He also mentioned that a new sprinkler system has been installed in the building in case of fire. The building also will be furnished with electric heat. Some of the local contractors are Adesko Electric, Avery Plumbing, Antioch Sheet Metal and Lake County Concrete.

folks will eat barbequed chicken and roast corn, and buy attractive auction items with the money benefitting Antioch's Rescue Squad.

PERSPECTIVES

By reason of insanity?

By DONALD COLE
Moody Bible Institute, Chicago

Citizens rightfully expect legislators and others in office to provide for the maintenance of law and order—which is the primary function of government. The Bible defines government in its ideal form as a "minister of God, as avenger who brings wrath upon the one who practices evil." So functionaries at all levels of government are accountable to God (whether they know it or not) and government's primary purpose is restraint of evil.

However, criminal codes are defective in places and legislators drag their feet; they do little or nothing to close the loopholes that enable smart crooks to evade the consequences of their crimes. The public suffers especially, perhaps, in Illinois where criminals declared innocent by reason of insanity are turned over to the Department of Mental Health.

Recently, a former Department ward was caught with a bloody knife in his hand and charged with the fatal stabbing of a young woman. It was the third time in less than seven years that he has been arrested for knife attacks.

A fundamental assumption is that psychotic behavior is mentally de-

rived: the patient has a screw loose and a little adjustment will fix him up. But the Bible says repeatedly actions commonly called "anti-social" have their source not in the brain but in the heart.

Jesus said that "out of men's hearts come evil thoughts, sexual immorality, theft, murder, adultery, greed, malice, deceit, lewdness, envy, slander, arrogance and folly." All of us are capable of crimes of violence.

It may be true that a chemical imbalance can trigger violent behavior and that one's environment (including the influence of evil companions) may induce one to commit violence. But these and other theories are incomplete and, because they omit Biblical truth, they are dangerous.

Perhaps the most significant point the Bible makes is that killers should be held accountable for their crimes. The only exceptions are those who killed accidentally. God does not look with indifference on the taking of human life.

No one will accuse Illinois legislators of indifference, either. Yet unless they take steps to write legislation that will in fact "bring wrath upon the one who practices evil," they can scarcely be considered ministers of God.

From Sue in Minnesota...

Dear Sir:

Once again it was a thrill to have my "hometown" high school marching band, the fabulous "Sequoits," bringing color and "panache" to the Aquatennial Parade!

The people of Antioch may well be proud of them; they did a good job, and the new uniforms were outstanding!

It was nice also to have Mr. and Mrs. Al Pedersen from Antioch, and their

son, Lloyd, here watching the parade with me on television. Lloyd has a fantastic show and is presently booked for a long engagement at the famous Steamboat Inn at Hastings (on the river).

Superintendent Warren Polley, my former typing teacher, sent a lovely note telling me of the forthcoming visit of the band, and he sent his lovely secretary, Vickie Mikula who brought me the T-shirt which has the Sequoit picture and Antioch, Illinois, on it! Know that it is a treasured possession, Vickie, and thanks so much!

I hope that next year the band will be able to compete again. They are a fine group of young people!

Very sincerely,

Sue Garland Hawkinson
(Mrs. Harlan W.)

P.S. It was great seeing Gordon Wells and Don Lubkeman again also!

Friday is the night! 'My Fair Lady' opens here

In the words of the immortal Alfred P. Doolittle:

Pull out the stopper -

Let's have a whopper!

PM&L's gala production of the Lerner and Loewe musical, "My Fair Lady," opens this Friday. Subsequent performances are scheduled for Saturday, July 30, and Fridays and Saturdays, Aug. 5, 6, 12 and 13.

Curtain time is 8:30 p.m. for all performances at the PM&L Theater, 877 Main St., in Antioch.

AS MOST EVERYBODY KNOWS, "My Fair Lady" is based on "Pygmalion," George Bernard Shaw's critical spoof of the manners, morals and class system of Edwardian England. Convinced that a person's manner of speech locates him in the class system, the celebrated

phoneticist and philologist Henry Higgins (played in the PM&L production by Bill Misik) undertakes to transform the guttersnipe Eliza Doolittle (Mary Chris LaKome) into a "lady" by teaching her to speak upper-class English.

Higgins carries the project off remarkably, variously abetted and interfered with along the way by such characters as Colonel Hugh Pickering (Ken Smouse); Eliza's father, Alfred P. Doolittle (Don Beveroth); and the irrepressible - well, almost irrepressible - Freddy Eynsford-Hill (Larry Bunton).

WELL-ESTABLISHED as a sure-fire hit, the musical extravaganza features such well-known and loved numbers as "With a Little Bit of Luck," "Get Me to the

Church on Time," "The Rain in Spain," and "I Could Have Danced All Night."

The Antioch production is directed by Tom Hausman, a PM&L veteran, and is enacted, figuratively speaking, by the proverbial "Cast of thousands."

The popularity of the show promises full houses for all of the performances. "You are therefore especially well-advised to make your reservations now, if you have not done so already, to see PM&L's "My Fair Lady," said Betty Smouse, publicity co-chairman.

"The telephone number to call for reservations is 395-3055, and don't forget to check in at the box office no later than 8:15 on the night you plan to see the show," Betty added.

Class of '37 plans reunion

The graduating class of 1937 from Antioch High School will hold a class reunion soon at Andre's Steak House near Richmond.

The addresses of a number of former graduates are needed. They are:

Alfred Andersen, Abrose Griffith, Harold Groeble, Cleo Cabada Jackson, Harry Hallwas, Loretta Loeper (Mrs. Leo Winkowski), Russell Luedtke, Robert Madsen, Dorothy Meyer, Alice Riordan, Clarence Rosenstock, Harry Nelson and Robert Meek.

Persons knowing the whereabouts of the above classmates should call or write Robert Griffin, 806 Turner Drive, Antioch, or phone 395-1001, after 6 p.m.

"YOU DID IT!" - Ken Smouse (left), as Colonel Pickering, sings to Professor Henry Higgins, played by Bill Misik, in a scene from "My Fair Lady," the famous musical that opens this weekend at Antioch's PM&L Theatre. What Professor Higgins did was turn Eliza Doolittle into a lady. Eliza is played by Mary Chris LaKome, star of several past PM&L productions.

Salad Bar Luncheon scheduled Aug. 13

By BETTY HOPE

On Saturday, Aug. 13, St. Peter's Women's Club will hold its 49th annual Salad Bar Luncheon at St. Peter's social center.

A fashion show featuring Phyllis McMillen's collection of period costumes will be presented, and the spotlight will be on the "Ladies of Liberty" throughout our country's history.

The Salad Bar Luncheon, for the past 48 years, has raised money to support St. Peter's grade school and other charitable activities of the organization.

It is always held on the Saturday closest to Aug. 15, the feast day of the Assumption of the Blessed Virgin Mary.

The menu will feature ham, meat balls and various salads and desserts prepared by ladies of the parish. Men are always welcome to attend.

Cocktails will be served at 11:30 a.m., luncheon at 12:15 p.m., and the fashion show will be presented at 1:30 p.m.

Special tables will be reserved for those who are working that day and wish a quick lunch.

Tickets are available from women's club members, at St. Peter's rectory and at the Antioch banks.

TM lecture tonight at library

Mary Murphy, a teacher of Transcendental Meditation, will speak on "A Vision of Possibilities" Wednesday (tonight) at the Antioch Township Library. The free public lecture will begin at 7 o'clock.

Mrs. Murphy will explain "the scientific benefits of relaxation" but her emphasis will be on the expansion of consciousness, which she says takes place through the TM technique.

According to Mrs. Murphy, "most people associate TM with deep rest and relaxation but it is much more. It is a practical technique that system-

atically develops one's full potential."

Mrs. Murphy has studied with Maharishi Mahesh Yogi, founder of the TM program. She teaches through the Lake County TM Center in Grayslake. She is a 1972 graduate of Western Illinois University.

Antioch drivers star at Waukegan track

Dan Hagi and Don Collins made it a one-two finish for the Antioch Auto Center in the 25-mile feature race at Waukegan Speedway last Saturday night.

Hagi's victory moved him to within five points of Chuck Clark, the leader in the season standings, and Collins moved to within two.

Hagi battled his teammate Collins for 10 laps but held on for the victory. Ray Tocha was third followed by Fran Baumgartner and Mike Simon. Clark, of Wauconda, set a new one lap sportsman qualifying record but the achievement was overshadowed by the Hagi-Collins duel.

Races will begin at 8 p.m. Saturday and Sunday this weekend. Sunday is family night. Adults will be admitted for \$2.50, children six through 11 for \$1, and those under six are free.

SATURDAY NIGHT FEATURES late model sportsman and hobby stock racing. A women's powderpuff race will also be held.

Sunday night will feature hobby racing, powder puff, beat your neighbor, a backward-forward race, a demolition derby, a tow truck race and a tire rolling contest.

Gates open at 6 p.m. both nights at the track which is east of Rte. 41 on Washington St. in Waukegan.

WINNERS OF THE NATIONAL DIVISION of Antioch's Little League this year were the Orioles, sponsored by Roland's Bakery. After winning their division title, the Orioles were runnersup in the championship playoffs, losing to the State Bank Tigers. Kneeling (left to right): Coach Mike

Schueneman, Gary Quedenfeld, Manager Tom Poulos, Mike Schueneman and Brad Poulter. Second row (from left): Nick Sciortino, Tad DeRousse, John Silianoff and Dave Milowski. Third row (from left): Lester Zitkus, Ed Poulos, Jim Weber and Greg Lipske.

Overheard: "Is he unpopular? He was run out of town on the Welcome Wagon."

Every man needs a wife because many things go wrong that he can't blame on the government.

Jaycees' softball stars feel other clubs must fear them

By MIKE TEELEY

The Antioch Jaycees, in preparation for games with the local civic organizations, mauled a badly-outclassed softball team of energetic but hapless Jaycees from Grayslake, 20-12.

The game was close until the locals unwrapped their big guns of John Christiansen, Tom Hovey, Bob Huebner and Reed Ano (assisted by brother Kevin).

There was a total of 11 home runs hit in the nine-inning contest including two by Huebner that never went past second base.

The Jaycees featured strong defensive play by Ralph

Dixon and Bob Eisen. They both turned sure hits into quick double plays, their coaches said.

Gary O'Reilly also coupled his steady pitching with a pair of daring moves on the basepaths. He was able to turn a triple into a double and managed to almost steal third on an attempted pick-off play.

Once again John Christiansen showed flashes of brilliance that clearly explain why he is relatively unknown outside his family. His cannon-like throw to second base in the last inning reminded us of many we've seen at the Little League diamond this summer.

The Jaycees hope to have more battles with other organizations this summer. However the Rotary and fire department don't seem eager to contribute their \$25 to the Jaycees' favorite charity. Perhaps they are still too humiliated by their defeats of last year.

Personal to Foremost Crapshooters from Triple A Bull-shooters

Re: The Grudge Match Shoot on Saturday, Sept. 10th, at 3 p.m.

Well, Mr. Bushing, two of your so-called fine shooters stopped by my store and were

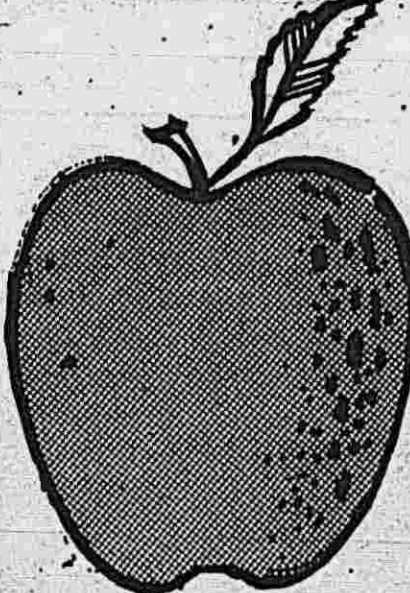

bragging how your team could beat us sitting down. Seeing as your team has such confidence in themselves, I think it would be a very good idea if your big-mouthed shooters would sit down on folding chairs at the 16 yard line and shoot their 100 targets; but of course I would imagine that you will chicken out with some flimsy excuse concerning this!

I'll be waiting for your answer in this paper next week.

'Swim-a-Thon' is next week

The annual Lions Club "Swim-a-Thon" will be held next Wednesday, Aug. 3, at the Antioch Aqua Center.

The Lions stage the fund-raising event along with the Antioch swim team's "Parents Club."

Chairman of this year's "Swim-a-Thon" is insurance executive Bill Stanley, a former high school and college swimming star.

The young members of Antioch's swim team are now touring the town, seeking sponsors who pay an agreed-upon amount of money for each length a youth swims.

PRIZES AWAIT THE SWIMMERS who turn in the most pledges. The boys' first prize is a Schwinn Varsity 10-speed bicycle. Second and third prizes are portable radios.

First prize for the girls also is a Schwinn Varsity 10-speed bike and portable radios will be the second and third prizes.

"Ask your family, friends, neighbors, family doctor, dentist, co-workers and merchants to sponsor you...and let them know how important it is. Remember, the greater the pledge per length, the greater will be your

effort to support your club, and the greater your chance to win a prize," Mr. Stanley told members of the swim team.

ON THE DAY OF THE SWIM, registration and starting times are 12 noon to 8 p.m.

"Bring along a towel and sweatshirt or windbreaker for the time that you may be out of the pool. Refreshments will be served to committee members and swimmers," Stanley said.

The event is being held for the benefit of the Antioch Aqua Center. Young swimmers, and some of the community's better-known adult celebrities will plunge into the pool to help raise the money.

Thelen first entry in golf tournament

Vern Thelen, last year's runnerup in the Class A flight, this week became the first golfer to enter the 2nd annual Antioch Open tournament.

Thelen will play in Class A again. That flight is for golfers who normally shoot in the 80s.

Last year Thelen shot rounds of 81 and 82 to tie for first in Class A with a 36-hole total of 163. Charlie Anderson had

the same score, then won a sudden death playoff between the two golfers.

Thelen is shooting in the low 80s again this season. Last year he tied for second in one local tournament by firing a 77.

THIS YEAR'S ANTIOCH OPEN will be played on two Sundays, Sept. 11 and 18, at Spring Valley Country Club. An entry blank appears in today's Antioch News.

Sunday, Sept. 25, will be a rain date in case the tournament has to be postponed on either Sept. 11 or 18.

The tournament is sponsored by the Antioch News and the deadline for entries will be Friday, Sept. 2.

THE ENTRY FEE is only \$15 for 36 holes of tournament golf. Players can either walk or ride golf carts.

The tournament, the first of its kind for this area, was held last year at Antioch Country Club.

There are three flights - championship, for players who shoot in the 70s; Class A, for those who score in the 80s, and Class B, for those who shoot 90 and over.

All contestants will be playing from scratch against golfers of their own ability.

THE WINNER of the championship flight last year was John Roach of Antioch. Rich Higgins placed second after winning a playoff against Andy Anderson, Mark Guthrie and Cliff Houghton.

The Class B winner was Bill Effinger of Lake Villa, who defeated Bill Nauman of Antioch in a playoff. Mike Sexton was third and John O'Hara fourth. Since all four averaged in the 80s during last year's 36 holes, they will move up to the Class A flight if they enter this year's tournament.

LAST YEAR'S tournament was limited to golfers from the townships of Lake Villa and Antioch. This year it also will be open to golfers who live or work in Salem township. Golfers must be at least 16 years of age.

Players will begin teeing off at 11 a.m. on Sept. 11 and at 1 p.m. on Sept. 18.

The top three finishers in each class will receive trophies. Prizes also will be given. All proceeds will be returned to players in the form of prizes.

Antioch swimmers 2nd in conference

By CAROL BERRY

The Antioch swimmers gave it everything they had and were rewarded with a second place trophy in the 1977 North Suburban Conference championships held in Palatine last Saturday.

The last team, Plum Grove, took first with 352 points. Antioch came in second with 229 while Brentwood, Lake Forest, Tennaqua and Lincolnshire had scores of 213, 187, 172 and 76 respectively.

THE ANTIOCH TEAM, sponsored by the State Bank of Antioch, took 12 firsts, nine seconds and six thirds in the 51 events. Considering there were five other teams to contend with for places, the swimmers did an excellent job, Coach Marty Berry said.

Three first place medals and three conference records went to Shelly Volling in the 12 and under freestyle, individual medley and butterfly events.

Also taking three firsts was Greg Shepard in the 14 and under freestyle, breaststroke and butterfly races.

Laura Clewis took two firsts and set two conference records in the 8 and under races.

GEORGE BESSETTE ALSO TOOK two firsts, setting conference records in the 12 and under 100-meter medley and 50-meter breaststroke.

Single victories went to Sue Harrison and Denise Latz.

Trina Spietz led the second place medalists with a second in each one of her four events.

Keith Latz took two second places and Ted White went into his race rated 10th out of 10, but that didn't stop him. He bettered his time by more than two seconds to get a

second place medal.

"THIS HARD-FOUGHT BATTLE was an excellent example of competitive swimming, team-work and sportsmanship. The second place trophy from the conference championships will be displayed at the State Bank of Antioch, along with the other trophies that have been won by the Antioch swim team," Coach Berry said.

THE ANTIOCH SWIM TEAM raised its number of dual meet victories to four, defeating Kenosha Recreation at the Antioch Aqua Center last week.

In 60 events, the Antioch swimmers took 44 firsts, 31 seconds and 28 thirds, for a final score of 500 to 276.

"The 8 and under and 9-10 age groups haven't been exceptionally strong this year but they really pulled through against Kenosha," said Coach Marty Berry.

Members of winning relay teams and individual event winners in those two age groups were Heidi Celarec, Colleen Kelly, Laura Clewis, Cindy Morris, Russell Ivy, Dave Fritz, Scott Shepard, Brian White, Kerry Kelly, Katie Shepard, Kaky Kelly, Stacy Harrison, Dan Heiselmann, Joel Bellucci, Tommy Nicholl, Tod Gedville, John Wierschem, Jon Emmerich and Lisa Rietschel.

Other swimmers in those age groups who placed either second or third were Brandy Nicholl, Teresa Teeple, Beth Haley, Dave Gedville, Kris Shepard, Mike Fields, Mike McGrain, Dan Zamudio, Matt McGrain, Derek Klein, Shani Syria, Derek Wogsland, Rob Cote, Jason Bellucci, Tracy Moffat and Melissa Garland.

"The older swimmers were strong also but without these younger swimmers we wouldn't have had a team," said Coach Berry.

Sportsman's Corner

Jim Knigge of Antioch, one of Ev Oftedahl's key men at Frostee-Foam, Expanda-Foam, is a contributing editor to Midwest Outdoors magazine.

Jim's column, "Claybirds," deals with guns, trap and skeet. His well-written articles are esoteric stuff which can be thoroughly enjoyed by the trap and skeet enthusiasts. The following paragraphs, which we lifted from one of his columns, pretty well sums up the sport:

"Registered trapshoots are held at about 26 clubs in Illinois and Wisconsin. Registered trapshoots are formal sporting events, sanctioned and governed by the Amateur Trapshooting Association, Vandalia, Ohio.

"Registered shoots are usually comprised of three events: the 16 yard singles, the handicap, and doubles. All shooters fire from the 16 yard line in the first event, but are classed according to ability. An A class shooter for example has an average of 95 percent or better, class B 92 percent to 95 percent Class C 89 percent to 92 percent and Class D which is under 89 percent. Some shoots may have provisions for a class AA or class E also.

"The handicap event simply moves shooters farther away from the trap shooters farther away from the trap according to their ability. The minimum handicap yardage is 18 and the maximum is 27 yards. The doubles
